

AUSTRALIAN PHYSIOTHERAPY ASSOCIATION

Physiotherapist

Permanent Full Time positions available.

CQPHYSIO Group takes pride in quality service to our clients and the happiness of our employees. We do our utmost to provide our employees with diversity in day to day case load and professional development opportunities. We offer you autonomy in your practice as a qualified physiotherapist, the security of being a valued member of the team and normal working hours (no graveyard shifts). We believe in attracting and retaining the right people to the right job and to this end, offer a work life balance and flexibility in working conditions. CQ Physio Group offers great clinical opportunity in a supportive team environment.

We are able to offer the following as part of your continuing development as a multi-faceted therapist:

- Private out-patients in rooms.
- Regular in-house inservices.
- Aged care facility visits for assessment and treatment.
- Private hospital ward work: Orthopaedic and Medical wards (with a High dependency unit).
- Onsite industrial rehabilitation.
- Pre-employment screenings
- We are involved in most sports in each of our locations
